

**To: AmeriHealth Caritas Pennsylvania (PA) Hospital Providers**

**Date: April 16, 2025**

**Important Reminder: Timely submission of the DHS – MA112 form for newborns**

As you are aware, newborns of mothers who are active AmeriHealth Caritas PA members are not automatically enrolled in Medical Assistance (MA) at birth.

Therefore, to avoid unnecessary delays in the newborn's enrollment in MA, when an AmeriHealth Caritas PA member delivers, the hospital must complete and follow all instructions/time-lines that are outlined in the Pennsylvania Department of Human Services (DHS) MA-112 form. The newborn cannot be enrolled in AmeriHealth Caritas PA until DHS opens a case and lists him/her as eligible for MA.

The DHS MA-112 form can be found on our website at [www.amerihealthcaritaspa.com](http://www.amerihealthcaritaspa.com)
